Title: Officer's Journal

Author: Rogers Cobb

He's coming for me....he's
already gotten me once
with his scimitar, and
though I managed to get
my spear, I can't stop
my hands from trembling.
I can't die with it on my
mind....without saying
it...I'm sorry...I never
stood up to the kraken...I
fled while the rest of
the crew died...I made it
all up, what else could I
do? I can't *The rest is
covered by a huge splash
of blood*

What have I done...
